

## General School / Instructional Needs

### Scotch Book tape

"Tear By Hand" Tape(Scotch?)  
Construction Paper – Single Color Packs  
Graph Paper  
Velcro  
Cassette Player/Records for listening center  
Electric Pencil Sharpener (heavy duty)  
Cartridge for classroom printers  
BLK - Epson Intellidige T017  
CLR - Epson Intellidige T018  
Copy Paper  
Small – individual sized chalk boards for our  
handwriting curriculum

## Computer Software/Technology:

**IT Support !** – TFLS has contracted a company to oversee IT support and assist with the planning and implementation of a technology plan. This is LONG overdue and while we've been blessed with IT volunteer support – long range planning and fast solutions to long term problems frequently build up. The cost of our package is \$255.00 per month. We are looking for financial support of this program (over and above our regular school support as we do not want to take any support away from our most pressing need of tuition support!) Another area of need is support to help the school buy a server.

**SMART Board – for our 6<sup>th</sup> to 8<sup>th</sup> grade classroom!**

### **Learning Software: *multiple copies of software needed***

Math, Grammar/Punctuation, Vocabulary, Science, Keyboarding (Mavis Beacon), and Reading Software Games - PC compatible (able to run on XP) for grades 4-8 and Mac compatible for grades PreK-4  
Leap pad for ages 8-11 years old  
Leapfrog Odyssey III - Globe Educational Bundle

## Volunteer Needs!!!

Lunch Servers 11:15 to 1:15 P.M.- Tuesdays and Wednesdays:due to are increase in enrollment we need to have two lunch shifts.

The teachers, who are also expected to supervise their children and eat their own lunches are also needed to set up, serve and clean up...whew! They really need help serving lunches – we have a catered meal program that is delivered nearly ready-to-serve. This is a highly rewarding job and a great way to meet our students and make a positive impact on their day!!! This is our biggest volunteer need as we open our 2009-2010 school year!

### Tiger Club and Tiger Cub (extended care) Volunteers 3:30 TO 5:30 –

Many of our children use our extended care program. This program is critical for many who receive little to no homework help at home. The school bus does not arrive until our school has been dismissed for over an hour and this time frame has the biggest need (3:30 to 4:40.)

### Teacher - Classroom Aid:

Assisting a teacher with daily duties, correcting classroom work, tutoring, small group lessons, etc.

### Facility Housekeeping☺

We have a janitor – he is one of our student's dads but he has limited hours available. Many areas in our school need an *extra-touch* to the cleaning and this would make a BIG difference to our school.

## Facility Needs:

Ceiling Tiles (outside of Tree House Class)  
New Carpet in school office  
New Gym Floor  
New Student Lockers

## Tuition Assistance-ASSP:

**Our school receives less that 4% of its income from tuition due to the needs of the families and the focus on the mission-ministry. All monies received by the school go to fund our school. The Trinity First School Charitable Trust and Foundation works with us to support the school as 96% of our income comes from donors!!**

**Gym / P.E. Equipment**

Basketballs: Girls – 28.5 inches

Boys – 29.5 inches

Wall Mats for under the baskets

Footballs – Nerf and Leather

Flag Football – belts & flags

Volleyballs – Mikasa – official size /  
weight, net

Hockey sticks – plastic

Hockey pucks – plastic

Scooters with a holder to keep them

Small Gator skin balls (Gopher Sports)

Medium (6-8")

Plastic bat & ball

Hula Hoops (heavy & strong – Gopher  
Sports)

Bean Bags

Heavy Jump Ropes

Rubber Circle Dots (for putting on floor  
and children can step on them)

Rubber playground balls of various  
sizes

Kids aerobic video

Frisbee's
